"what is your name" the older girl asked "my name is Diana" "that is a pretty name" "my name is lillyanna". Lillyanna tried to get up and yelped in pain Diana used her x-ray vision and scanned lillyanna`s body "you have a broken ankle and wrist" "how did this happen" asked Diana "I fell out of the sky" Lillyanna said this like she was trying to keep a secret. " I will go to get help from your family. " oh please not my mother or father" " why not" "they do know my secret which is that i can fly but they said that i should not fly anymore" Diana looked astonished to hear this "i-um-i-i-i-i-i-i-um" she could not talk " well i have x-ray vision " wow" said lillyanna she was impressed for years she had thought that no one else was like her and here on a random day she found someone who was truly just like her.
